NARRATIVE:

Otis Mabinton has an extensive adult criminal history that began at the age of 20. His convictions include assault with a deadly weapon with great bodily injury, multiple cases of battery, petty theft with prior, vandalism, transporting controlled substances, possession of controlled substance for sale, possession of drug paraphernalia, resisting arrest and failing to report. He has served multiple state prison terms, the longest a three (3) year term for transporting controlled substances. Mabinton was released from state prison to the supervision of the Los Angeles County Probation Department on June 2, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in August 2014 after he absconded from post release community supervision (PRCS). Mabinton qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transporting controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
